

***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance of claims 9-14.

For independent claim 9 the prior art of record does not disclose or clearly suggest an actuation indicator comprising the slipping clutch arrangement comprises a slipping clutch spring engaged at one end to a pinion and at a second end to the ratchet pawl in combination with the remaining limitations of the claim.

Claims 10-14 recite limitations which, in combination with allowed claim 9, render the dependent claims allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
